Just cast away and I am lost at sea  
Another lonely day and no one here but me  
More loneliness than any man could bare  
Rescue me before I fall into despair

I send an SOS to the world  
I send an SOS to the world

I hope that someone gets my  
I hope that someone gets my  
I hope that someone gets my

Message in a bottle  
Message in a bottle  
Message in a bottle

A year has passed since I wrote my note  
I should have known it right from the start  
Only hope can keep me together  
Love can mend your life but love can break your heart

I send an SOS to the world  
I send an SOS to the world

I hope that someone gets my  
I hope that someone gets my  
I hope that someone gets my

Message in a bottle  
Message in a bottle, hey  
Message in a bottle, bottle

Walked out this morning, I don't believe what I saw  
A hundred billion bottles washed up on the shore  
It seems I'm not alone at being alone  
A hundred million castaways, all looking for a home

I send an SOS to the world  
I send an SOS to the world

I hope that someone gets my  
I hope that someone gets my

I hope that someone gets my

Message in a bottle

Message in a bottle, yeah

Message in a bottle, hey
