I'm so alive
I'm so enlightened
I can barely survive
A night in my mind
I've got a plan
I'm gonna find out just how boring I am
And have a good time

Cause ever since I tried
Trying not to find
Every little meaning in my life
It's been fine
I've been cool
With my new golden rule

Numb is the new deep
Done with the old me
And talk is the same cheap it's been

Is there a God?
Why is he waiting?
Don't you think of it odd
When he knows my address?
And look at the stars
Don't they remind you of just how feeble we are?
Well it used to, I guess

Cause ever since I tried
Trying not to find
Every little meaning in my life
It's been fine
I've been cool

With my new golden rule

Numb is the new deep
Done with the old me
And talk is the same cheap
It's been

I'm a new man
I wear a new cologne and

You wouldn't know me if your eyes were closed
I know what you'll say
'This won't last longer than the rest of the day'
But you're wrong this time
You're wrong

Numb is the new deep
Done with the old me
I'm over the analyzing
Tonight

Stop trying to figure it out
(you try to figure, you try to figure it out)
It will only bring you down
You know, I used to be the back
porch poet with my book of rhymes
Always open knowing all the time I'm probably
Never gonna find the perfect rhyme
For 'heavier things'
