"Welcome to the real world", she said to me
 Condescendingly
 "Take a seat, take your life
 Plot it out in black and white"
Well I never lived the dreams of the prom kings
 And the drama queens
 I'd like to think the best of me
 Is still hiding up my sleeve

They love to tell you "stay inside the lines"
 But something's better on the other side

I wanna run through the halls of my high school
 I wanna scream at the top of my lungs
 I just found out there's no such thing
 As the real world
 Just a lie you've got to rise above

 So the good boys and girls take
 The so called right track
 Faded white hats
 Grabbing credits, maybe transfers
They read all the books but they can't
 Find the answers
 And all of our parents
 They're getting older
I wonder if they've wished for anything better
 While in their memories
 Tiny tragedies

They love to tell you "stay inside the lines"
 But something's better on the other side

I wanna run through the halls of my high school
 I wanna scream at the top of my lungs
 I just found out there's no such thing

As the real world
Just a lie you've got to rise above

I am invincible
I am invincible
I am invincible
As long as I'm alive

I wanna run through the halls of my high school
I wanna scream at the top of my lungs
I just found out there's no such thing
As the real world
Just a lie you've got to rise above

I just can't wait 'til my 10 year reunion
I'm gonna bust down the double doors
And when I stand on these tables before you
You will know what all this time was for
