"Welcome to the real world", she said to me  
Condescendingly  
Take a seat  
Take your life  
Plot it out in black and white  
Well I never lived the dreams of the prom kings  
And the drama queens  
I'd like to think the best of me  
Is still hiding  
Up my sleeve

They love to tell you  
Stay inside the lines  
But something's better  
On the other side

I wanna run through the halls of my high school  
I wanna scream at the  
Top of my lungs  
I just found out there's no such thing as the real world  
Just a lie you've got to rise above

So the good boys and girls take the so called right  
track  
Faded white hats  
Grabbing credits  
Maybe transfers  
They read all the books but they can't find the answers  
And all of our parents  
They're getting older  
I wonder if they've wished for anything better

While in their memories  
tired  
tragedies

They love to tell you  
Stay inside the lines  
But something's better  
On the other side

I wanna run through the halls of my high school

I wanna scream at the  
Top of my lungs  
I just found out there's no such thing as the real world  
Just a lie you got to rise above

I am invincible  
As long as I'm alive

I wanna run through the halls of my high school  
I wanna scream at the  
Top of my lungs  
I just found out there's no such thing as the real world  
Just a lie you've got to rise above

I just can't wait til my 10 year reunion  
I'm gonna bust down the double doors  
And when I stand on these tables before you  
You will know what all this time was for
