I can feel your body
When Im lying in my bed
There's too much confusion
Running round through my head

Its making me so angry
To know that the flame will always burn
When will I get over
When will I ever learn, ever learn

Old Love, leave me alone
Old Love, go on home

I can see your face
But i know that it's not real
Just an illusion
Caused by how i used to feel

And it's making me so angry
Knowing the flame will always burn
When will I get over
Come on, when will I ever learn

Old love, leave me alone
Old love, go on home

Old love, love
Old love
Old love
