Was a time when I wasn't sure
But you set my mind at ease
There is no doubt you're in my heart now
Said woman take it slow
It'll work itself out fine
You and I've got what it takes to make it
Said woman take it slow
And I nonononooo
You and I'll just use a little patience
Sit here on the stairs
'Cause I'd rather be alone
If I can't have you right now, I'll wait dear
Sometimes, I get so tense
But I can't speed up the time
But you know, love, there's one more thing to consider
Said woman take it slow
'Cause the lights are shining bright
You dontnonoronoro
Said woman take it slow
It'll work itself out fine
All we need it's just a little patience
...little patience, mm yeah, ooh yeah,
Need a little patience, yeah
Just a little patience, yeah
I've been walking these streets at night
Just trying to get it right
It's hard to see with so many around
You know I don't like being stuck in a crowd
And the streets don't change but maybe the name
I ain't got time for the game
'Cause I need you
Yeah, yeah well I need you
Oh, I need you
Whoa, I need you
Ooh, this ti- me....
