Had a little love, but I spread it thin
Falling in her arms and out again
Made a bad name for my game around town
Tore up my heart, and shut it down

Nothing to do
Nowhere to be
A simple little kind of free
Nothing to do
No one but me
And that's all I need

I'm perfectly lonely
I'm perfectly lonely
I'm perfectly lonely (Yeah)
'Cause I don't belong to anyone
Nobody belongs to me

I see friends around from time to time
When their ladies let them slip away
And when they ask me how I'm doing with mine
This is always what I say

Nothing to do
Nowhere to be
A simple little kind of free
Nothing to do
No one to be
Is it really hard to see

Why I'm perfectly lonely
I'm perfectly lonely
I'm perfectly lonely
I'm perfectly lonely (Yeah)
'Cause I don't belong to anyone
Nobody belongs to me

And this is not to say
There never comes a day
I'll take my chances and start again
And when I look behind
On all my younger times

I have to thank the wrongs that led me to a love so
strong

I'm perfectly lonely
I'm perfectly lonely
I'm perfectly lonely (Yeah)
'Cause I don't belong to anyone
Nobody belongs to me

(It's the way, it's the way, it's the way that I want it)
