Yo, hey yo, now that I'm a fly guy and I fly high  
Niggaz wanna now why, why I fly by  
But yo, it's all good, Range Rover all wood  
Do me like you should, fuck me good, suck me good

We be them stunt niggaz, wishin' you was niggaz  
Poppin' like we drug dealers, simply 'cause she butt  
naked  
Honey in the club, me in the Benz  
Icy Cris, tellin' me to live with you and your friends, it's  
remix

I wanna know if you wanna ride  
Wanna go and take a ride with me  
I know a place where we can chill, girl  
And don't worry, I got plenty money

We in the club, on the late night, we feelin' right  
Lookin' for a couple of shorties that's gon' do me right  
And they could be 21 or 20 years old  
Long as they got I.D., man, I don't need no troubles

There might be two walkin' over nice and real slow  
They said, they liked the way I looked in my last video  
Is there somewhere, Nelly, all three of us could go?  
I thought about it for one minute then I said

I wanna know if you wanna ride  
Wanna go and take a ride with me  
I know a place where we can chill, girl  
And don't worry, I got plenty money

We still shoppin' honey, frontin' like me and my boys  
Every other mall, I'm pullin' out another toy  
My pockets deeper than they've ever, ever been before  
I'm not just braggin', I'm just sayin'  
I ain't gotta think about that shit no more

All of a sudden, I'm the man wherever I go  
Screamin' fans got to stands now at my shows  
Heard there's a party and the niggas at

'The Palm' tryin' to figure out should I go  
Thought about it for one minute then I said

I wanna know if you wanna ride  
Wanna go and take a ride with me  
I know a place where we can chill, girl  
And don't worry, I got plenty money

I wanna know if you wanna ride  
Wanna go and take a ride with me  
I know a place where we can chill, girl  
And don't worry, I got plenty money

I know somethin', somethin' you don't know  
I know somethin', somethin' that I got to tell ya  
I know somethin', somethin' that doubted my flow  
I know somethin', somethin' that called me a failure

I know somethin', somethin' you don't know  
I know somethin', somethin' that I got to tell ya  
I know somethin', somethin' that doubted my flow  
I know somethin', somethin' that called me a failure

I wanna know if you wanna ride  
Wanna go and take a ride with me  
I know a place where we can chill, girl  
And don't worry, I got plenty money

And don't worry I got plenty money  
And don't worry I got plenty money

Free City, shout out to my nigga John Mayer  
Holdin' it down dirty, John Meyer, John Mayer  
You know we pronounce it different in the hood  
But dirty, you still be rockin'
