Well Olivia is taken  
But a look like hers can be found from time to time  
Yeah Olivia is taken  
But a look like hers can be found from time to time  
I'm thinking something like Olivia is  
What I need to find  
There's only one man in this world who gets to  
Sleep with her by his side  
There's only one man in this world who gets to  
Sleep with her by his side  
I'm thinking something like Olivia could  
Keep me through the night  
Now I'm not trying to steal  
No love away from no one man  
No, I'm not trying to steal  
No love away from no one man  
But if Olivia herself were at my door  
I'd have to say I'd let her in  
Something like Olivia  
Something like Olivia  
Something like Olivia  
Something like Olivia  
I keep thinking something like Olivia  
What I need to find  
Something like Olivia  
Something like Olivia  
Something like Olivia  
Something like Olivia
