No I'm not color blind  
I know the world is black and white

I try to keep an open mind  
But I just can't sleep on this tonight

Stop this train  
I want to get off  
And go home again  
I can't take the speed it's moving in  
I know I can't  
But honestly, won't someone stop this train?

Don't know how else to say it  
I don't want to see my parents go  
One generation's length away  
From fighting life out on my own

Stop this train  
I want to get off  
And go home again  
I can't take the speed it's moving in  
I know I can't  
But honestly, won't someone stop this train?

So scared of getting older  
I'm only good at being young  
So I play the numbers game  
To find a way to say that life has just begun

Had a talk with my old man  
Said "help me understand"  
He said "turn sixty-eight"  
"You'll renegotitate"

"Don't stop this train  
Don't for a minute change the place you're in  
And don't think I couldn't ever understand  
I tried my hand  
John, honestly we'll never stop this train"

Once in a while, when it's good

It'll feel like it should  
And they're all still around  
And you're still safe and sound  
And you don't miss a thing  
Til you cry when you're driving away in the dark  
Singing  
Stop this train  
I want to get off  
And go home again  
I can't take the speed it's moving in  
I know I can't  
Cause now I see I'll never stop this train
