Midnight. Lock all the doors

And turn out the lights

Feels like the end of the world

This Sunday night.

Theres not a sound

Outside the snows comin down

And somehow I cant seem to find

A quiet inside my mind

Three o two. The space in this room

has turned on me.

All my fears have cornered me here.

Me and my TV screen.

The volumes down.

Blue lights are dancing around

And still I cant seem to find

the quiet inside my mind.

Do do do do do do oh yeah

Daylight is climbin the walls

Cars start the fear of the halls

The world awakes and now im safe

At least by the light of day.

At least by the light of day.

Hmm day.
