Come out angels,
Come out ghosts,
Come out darkness,
Bring everyone you know.
I'm not running,
and I'm not scared,
I am waiting,
And well prepared.

I'm in the war of my life,
At the door of my life,
Out of time
and there's nowhere to run

I've got a hammer,
And a heart of glass
I gotta know right now
which walls to smash
I got a pocket
Got no pills
If fear hasn't killed me yet,
then nothing will
All the suffering and all the pain
Never left a name

I'm in the war of my life,
at the door of my life,

out of time
and there's nowhere to run
I'm in the war of my life,
at the core of my life
Got no choice but to fight til its done

No more suffering, no more pain
Never again

I'm in the war of my life,
at the door of my life,
out of time
and there's nowhere to run
I'm in the war of my life,

at the core of my life
Got no choice but to fight til its done

So fight on,
fight on everyone
fight on
got no choice but to fight til it's done
I won't give up
I won't run
I won't stop for anyone
