We pick up in New York City  
Trying to find the man I never got to be.  
But when I pushed down on the pavement  
I found the whole thing so much harder than it seemed.  
The only deal I ever signed no devil drew a dotted line;  
The stage was set; the words were mine; I'm not  
complaining.  
Whiskey, whiskey, whiskey;  
Water, water, water;  
Sleep.  
Whiskey, whiskey, whiskey;  
Wake up, shake it off, and repeat.  
It's just a phase, it's not forever  
It's just a phase, but I still might have a ways to go.  
Every night around this time,  
My friends and I, we treat it like a race.  
But when I really start to break it down,  
I wouldn't trust a girl who knew about this place.  
Walking home with no one left, I speak softly  
underneath my breath:  
Hey world you ain't seen nothing yet, great now  
it's raining.  
Whiskey, whiskey, whiskey;  
Water, water, water;  
Sleep.  
Whiskey, whiskey, whiskey;  
Wake up, shake it off, and repeat.  
It's just a phase, it's not forever  
It's just a phase, but I still might have a ways to go!  
[Instrumental]  
Whiskey, whiskey, whiskey;  
Water, water, water;  
Sleep.  
I dreamed somebody missed me;  
Wake up, shake it off and repeat it  
Repeat it repeat after me.  
Whiskey, whiskey, whiskey;  
Water, water, water;  
Sleep.  
Whiskey, whiskey, whiskey;  
Cut me off and pour me in the street.  
Whiskey, whiskey, whiskey;

Water, water, water;  
Sleep.
