Why Georgia intro (Any Given Thursday)

Fold me up  
Take me out  
I'm portable

Fold me up  
Take me out  
I'm portable

Well out here, we have anything we want  
We have anything we want at all  
Well out here, we'll just bolt it to the floor  
tape it to the wall

Rolling with the satellite  
Watching the Cosby show on Nick At Night  
I'm weary but I'm feeling right  
I am a soldier now

Fold me up, fold me up  
Take me out, take me out  
I'm portable

Fold me up, fold me up  
Take me out, take me out  
I'm portable

Out here, we just sing and play whatever we feel  
And the threat of falling out of bed at night  
is real  
When you're travelling on a box with 18 wheels, oh

If I can go anywhere at all  
If I can go anywhere at all, oh  
If I can go anywhere at all

If I can go anywhere, anywhere  
And if I can go anywhere at all  
And if I can go anywhere at all  
I mean if I really, really, really can go anywhere

at all  
Won't you tell me why  
Won't you tell me why  
Why, why Georgia, why
