Something's Missing: John Mayer Trio

INTRO:

It aint your T.V. Though it's fun to laugh at people  
sometimes.

It aint your computer. Though it's nice to spend a  
whole night on line.

It's not your movies. I see the same dam storyline.

It's only music now.

It's only music now.

I'm not alone.

I wish I was.

cause then I'd know.

I was down because.

I couldn't find a friend around.

To love me like they do right now.

They do right now.

I'm dizzy from the shopping malls.

I searched for my joy, but I turned it off.

It doesn't help the hunger pains.

In a thirst I'd have to drown first to ever satiate.

Something's missing and I don't know how to fix it.

Something's missing and I don't know what it is.

No I don't know what it is at all.

When autumn comes it doesn't ask.

It just walks in where it left you last.

You'll never know when it starts.

Until there's fog inside the glass around your  
summer heart.

Something's missing and I don't know how to fix it.

Something's missing and I don't know what it is.

No I don't know what it is at all.

I can't be sure that this state of mind is not of my own  
design.

I wish there was an over-the-counter test for my  
loneliness.

For my loneliness.  
Like this.

Something missing and I don't know how I'm gonna  
fix it.

Something missing and I don't know what it is.

I don't know.

I don't know.

I don't know.

Something's different and I don't know what it is.

No I don't know what it is.

And I don't know what it is.

No I don't know what it is at all.
