When I grow too old to dream : to g

We have been gay going our way
Life has been beautiful we have been young
After you've gone life will go on
Like an old song that we've sung
(chorus)

When I grow too old to dream
I'll have you to remember
When I grow too old to dream
Your love will live in my heart
So kiss me my sweet and so let us part
And when I grow too old to dream
That kiss will live in my heart

After you've gone life will go on
Time will be tenderly melting our tears
Yet will I find you in my mind
Beckoning over the years

(repeat chorus)
