Cathedral bells were tolling and our hearts sang on
Was it the spell of Paris or the April dawn?
Who knows if we shall meet again
Or when rolling chimes bring speed again

I'll be seeing you in all the old familiar places
That this heart of mine embraces all day through
In that small cafe, the park across the way
The children's carousel, the chestnut trees, the wishing
well

I'll be seeing you in every lovely summers day
In everything that's light and gay, I'll always think of
you that way
I'll find you in the morning sun and when the night is
new
I'll be looking at the moon, but I'll be seeing you

I'll be seeing you in every lovely summers day
In everything that's light and gay, I'll always think of
you that way
I'll find you in the morning sun and when the night is
new
I'll be looking at the moon, but I'll be seeing you
