O little town of Bethlehem  
How still we see thee lie?  
Above thy deep and dreamless sleep  
The silent stars go by

Yet in thy dark streets shineth  
The ever lasting light  
The hopes and fears of all the years  
Are met in thee tonight

For Christ is born of Mary  
And gathered all above  
While mortals sleep the angels keep  
Their watch of wondering love

O morning stars together  
Proclaim the holy birth  
And praises sing to God the King  
And peace to men on earth

How silently how silently  
The wondrous gift is given?  
So God imparts to human hearts  
The blessings of His heaven

No ear may hear His comin'  
But in this world of sin  
Where meek souls will receive Him still  
The dear Christ enters in

O holy child of Bethlehem  
Descend to us we pray  
Cast out our sin and enter in  
Be born in us today

We heard the Christmas angels  
The great glad tidings tell  
O come to us abide with us  
Our Lord Emmanuel
