We have been gay going our way
Life has been beautiful, we have been young
After you've gone, life will go on
Like an old song that we've sung

When I grow too old to dream
I'll have you to remember
When I grow too old to dream
Your love will live in my heart

So kiss me my sweet
And so let us part
And when I grow too old to dream
That kiss will live in my heart

After you've gone life will go on
Time will be tenderly melting our tears
Yet will I find you in my mind
Beckoning over the years

When I grow too old to dream
I'll have you to remember
When I grow too old to dream
Your love will live in my heart

So kiss me my sweet
And so let us part
And when I grow too old to dream
That kiss will live in my heart

So kiss me my sweet
And so let us part
And when I grow too old to dream
That kiss will live in my heart

And when I grow too old to dream
That kiss will live in my heart
