Oh, they like to get you in a compromising position
They like to get you there and smile in your face
Well, they think they're so cute when they got you in
that condition
Well I think it's a total disgrace, and I said

I fight authority, authority always wins
Well, I fight authority, authority always wins
Well, I've been doing it since I was a young kid, I come
out grinnin'
Well, I fight authority, authority always wins

So I call up my preacher
I say, "Give me strength for Round 5"
He said , "You don't need no strength, you need to
grow up son"
I said, "Growing up leads to growing old and then to
dying

And dying to me don't sound like all that much fun"
So I said

I fight authority, authority always wins
Well, I fight authority, authority always wins
Well, I've been doing it since I was a young kid, I come
out grinnin'
Well, I fight authority, authority always wins

I said ?Oh no no no?, I said ?Oh no no no?
I said ?Oh no no no?
I fight authority, authority always wins

Well, I've been doing it since I was a young kid, I come
out grinnin'
Well, I fight authority, authority always wins
Well, I fight authority, authority always wins
