Spend a lot of time tryin' to grow up
Guess I got a lot of growin' up to do
Used to tell me sit down, hey, shut up
Guess they didn't know what I was goin' through

But I've loved me some girls
And I've broken me some hearts
A Casanova in my own right

As I see here
Watching the sun coming up
I guess it's okay, yeah, it's okay
To say goodnight

Born reckless, born reckless
Born reckless
(Watch the family cry)
'Cause I was born to be reckless
Till the day I die

Well, you know, I've been shoved around
Hey but I've done my share of shovin' too
I guess you get what you deserve
Yeah, you get what's comin' to you

For the life of me, I don't understand
I don't understand, how I ever got you
Someone so warm to hold my hand
When this world has beat me back through

Born reckless, born reckless
Born reckless
(Watch the family cry)
'Cause I was born to be reckless
Till the day I die

Well, what I really want to say is
I guess I don't know what it is I really wanna say
Anyway the thing is, I'm just surprised
That you're still here with me today

'Cause I've lied and I've cheated

And I've spit in your face
I've taken from you exactly what I need

But I want you to know
There's no one to take your place
How can we embrace love, how can we make love
At such a high rate of speed

Born reckless, born reckless
Born reckless
(Watch the family cry)
'Cause I was born to be reckless
Till the day, till the day I die
