You can laugh and joke and make fun of your friends  
Spin in the middle when your troubles begin  
Take it nice and easy and always pretend  
That you're cool, so cool, so cool

Say, I'munna hold onto that a while and I will and I'll be  
tame  
Talk like a jerk on educated brain  
Be an old girl drivin' the young boys insane  
Be a joker, a preacher, it does not matter

Everyone needs a hand to hold on to  
Everyone needs a hand to hold on to  
Don't need to be no strong hand  
Don't need to be no rich hand  
Everyone just needs a hand to hold on to

Havin' good luck with your financial situation  
Play the ponies, be the President of the United Nation  
Go to work and be a Hollywood stand  
Drive your four wheel drive right into the mud, but

Everyone needs a hand to hold on to  
Everyone needs a hand to hold on to  
Don't need to be no strong hand  
Don't need to be no rich hand  
Everyone just needs a hand to hold on to

And in those hours when you're alone  
And there's nobody there except yourself  
I know it you wanna pick up the phone  
And say, "Talk to me, talk to me  
Somebody please talk to me", yeah

Oh yeah, everyone needs a hand to hold on to  
Everyone needs a hand to hold on to  
Don't need to be no strong hand  
Don't need to be no rich hand

Everyone needs a hand to hold on to  
Everyone needs a hand to hold on to  
Don't need to be no strong hand

Don't need to be no rich hand

Everyone needs a hand to hold on to  
Everyone needs a hand to hold on to  
Don't need to be no strong hand  
Don't need to be no rich hand
