Sonny's out strolling, ambling slowly  
Washed in amber street lights  
A Mexican wind blows in takin'  
A hold of Angelina's hair and her halo  
Motors runnin', muffling the sound  
Of street talk and big deals goin' down

It's another hot, hot night in a cold town  
Got yourself a hot, hot night in a cold town

Johnny's got spare change in his pocket  
A ring and a watch to hock for a sweet ride  
A one way ticket hidden in his shoe  
These last few hours, he says he'll spend with you  
He's leavin' home without a trace  
No forwarding address he'll never have to face

Another hot, hot night in a cold town  
Got yourself a hot, hot night in a cold town

Well, the losers and the groovers  
And the corner boys are hangin' 'round  
Runnin' in and out of doorways  
Up and down the stairs  
Stray dogs headed for the pound

It's another hot, hot night in a cold town  
Got a, got a hot, hot night in a cold, cold town

It's another hot, hot night in a cold town  
Got yourself a hot, hot night in a cold town

Got a, got a hot, hot night in a cold town  
Got a, got a, got a, got a hot night in a cold, cold town
