He was born on the fourth day of July  
So his parents called him Independence Day  
He married a girl named Justice  
Who gave birth to a son called Nation, then she walked  
away

Independence, would daydream and he'd pretend  
That someday him and Justice and Nation be together  
again  
But Justice held up in a shotgun shack, wouldn't let  
nobody in  
So a Nation cried

Oh oh, when a Nation cries  
His tears fall down like missiles from the skies  
Justice look into Independences' eyes  
Can you make everything alright  
And can you keep your Nation warm tonight

Well, Nation grew up  
And got himself a big reputation  
Couldn't keep the boy at home, no, no  
He just kept running 'round and 'round and 'round and  
'round

Independence and Justice, well, they felt so ashamed  
When the Nation fell down, they argued who was to  
blame  
And Nation if you'll just come home, we'll have this  
family again  
Oh Nation, don't cry

Oh oh, when a Nation cries  
His tears fall down like missiles from the skies  
Justice look into Independences' eyes  
Can you make everything alright  
Can you keep your Nation warm tonight

Roll a rock across the country, yeah yeah  
Everybody come along  
When you're feelin' down, yeah yeah  
Just sing this song, yeah yeah
