We rode our horses in the city
Didn't we love living there?

Now it's gone to those more beautiful
'Cause younger is always so pretty
The marmalade the bed we made
Seemed to stretch out into forever

And we tried to stay together
Yeah we tried to stay together

Yeah, hey we had some good times
Reckless at heart but never, never unkind
In a perfect world we'd have done just fine
We're positively crazy now
You know, I think you're great
