Small Town  
Well I was born in a small town  
And I live in a small town  
Prob'ly die in a small town  
Oh, those small - communities

All my friends are so small town  
My parents live in a same small town  
My job is so small town  
Provides little opportunity, hey!

Educated in a small town  
Taught to fear Jesus in a small town  
Used to daydream in that small town  
Another born romantic that's me

But I've seen it all in a small town  
Had myself a ball in a small town  
Married an L.A. doll and brought her to this small town  
Now she's small town just like me

No I cannot forget where it is that I come from  
I cannot forget the people who love me  
Yeah, I can be myself here in this small town  
And people let me be just what I want to be

Got nothing against a big town  
Still hayseed enough to say  
Look who's in the big town  
But my bed is in a small town  
Oh, that's good enough for me

Well I was born in a small town  
And I can breathe in a small town  
Gonna die in a small town  
Ah, that's prob'ly where they'll bury me
