

## John Mellencamp "Summer Of Love"

Visit "[Summer Of Love](#)" on MotoLyrics.com

Exotic cars scream down the sunset of dreams  
On a hot sunny afternoon  
I'm in a hot dog stand, a strange love's holdin' my  
hand  
And we're both playin' it real cool

It's the summer of love  
It's the summer of love, baby  
It's the summer of love  
Least ways, I'm hopin' it is

So we talk about her favorite movie star or somethin'  
She says, "Ya know, I've never done this before", yeah,  
sure  
"An' I know it sounds strange, but I can't remember  
your name  
But I remember last night on the floor"

An' we both laughed like she told a joke or somethin'  
She takes her neckerchief off an' wraps it around my  
head  
An' says, "Hey, you"

It's the summer of love  
It's the summer of love, baby  
It's the summer of love  
Least ways, I'm hopin' it is

It's the summer of love  
It's the summer of love, baby  
It's the summer of love  
Least ways, I'm hopin' it is, set it down

So we both walk along alone  
She says, "Hey, mister, you sure make a strange kinda  
lover"  
And I say, "Yeah", I say, "Yeah"

It's the summer of love  
It's the summer of love, baby  
It's the summer of love  
Least ways, I'm hopin' it is

Least ways, I'm thinkin' it just might be  
It's the summer of love  
It's the summer of love  
This is the summer of love

Now, I hope I see her again sometimes
