You see this kind of chick in every town
Whenever there's a scene, she's always hanging
around
She's so naive and innocent, she looks at you with all
She's only fourteen but she knows how to draw

Now, now, now, baby, now
Super, supergirl, yeah
Super, supergirl

She never gets involved with blowin' her cool
She's too busy gettin' high with her classmates in school
The teachers all ignore her, they would if they could
She ain't quite grown up yet, but her credence's real
good

Now, now, now, baby, now
Super, supergirl, yeah
Super, supergirl, alright

You see this kind of chick in every town
Whenever there's a scene, she's always hanging
around
She's so naive and innocent, she looks at you with all
She's only fourteen but she knows how to draw

Now, now, now, baby, now
Super, supergirl, yeah
Super, supergirl

Super duper, super duper
Hey, super duper, super duper
Yeah, yeah, yeah, supergirl
