In these long, hot summer days  
Need a way to cool ourselves down  
Pop off the top of that Chevrolet  
Drive through the car wash laugh and fall around

Smokin' the old Ducados the old man got down in Spain  
Eating eggs and French fries on the side  
Ride that Harley Davidson in the hot summer heat  
Lord knows that I just love to ride

Go by and pick up that Kentucky girl  
She knew me when I got my start  
Oh yeah, those were different days

In the valley of the thundering hearts  
Thundering hearts, thundering hearts  
Thundering hearts

Get your crazy hair girl, right on my face  
This old rednecks on fire burning up  
Give us a kiss, baby, make it on the same place  
Humidity about to drive me all crazy wild

Pretty soon the sun will be going down  
And this little town will be cool and dark  
Forget about heaven, let me stay here forever

In the valley of the thundering hearts  
Thundering hearts, thundering hearts  
Thundering hearts, yeah

Thundering hearts, thundering hearts  
Thundering hearts, thundering hearts

Thundering hearts, thundering hearts  
Thundering hearts, thundering hearts  
Thundering hearts
