That morning sun was burnin' in my eyes
I could see a brand new day
And all the hurt and anger weighin' on my heart
Had begun to drift away

I saw it written on a church marquee as I drove into town
Said, "Today's a new beginning, friend"
And I had to laugh out loud, 'cause there's no doubt

I'm a brand new me
I've been shattered by the storm but I survived
I'm a brand new me
I found a revelation in the tears I cried

I opened up my eyes
Oh, what a change and I see
I'm a brand new me

There's a warrior and a victim
Living deep inside all of us
We have to choose to fight or surrender
When the world beats us up

I know where my weakness lies
And I know it's a fight that I can win
I may get broken trying to get up
But I can't wait to start again, I'm gonna start again

I'm a brand new me
I've been shattered by the storm but I survived
I'm a brand new me
I found a revelation in the tears I cried

I opened up my eyes
Oh, what a change I see
I'm a brand new me

Days come and go, yeah they come and go
Like a road with no end
Hope fades but never dies
Just look at me catchin' my second wind

I'm a brand new me
I've been shattered by the storm but I survived
I'm a brand new me
I found a revelation in the tears I cried

I opened up my eyes
Oh, what a change I see
I'm a brand new me

I'm a brand new me
I'm a brand new me
I'm a brand new me
