Got some cash in my pocket  
And it's burnin' a hole  
Got the boss on my back  
And it's gettin' real old  
This week's been hell  
But I'll party it out of my mind  
From Friday at five  
Till Sunday at closin' time

Ain't a punchin' no clock  
Ain't a makin' no plans  
Need a girl on my arm  
And a beer in my hand  
I'm tight as a drum  
But I'm gonna cut loose and unwind  
From Friday at five  
Till Sunday at closin' time

Got some pretty little women waitin' on me  
To shake up this sleepy old town  
That's one job I take seriously  
I wouldn't dream of lettin' them down

Got a call from my ex  
And she's askin' for more  
I'm late with the rent  
And the wolf's at the door  
But that's gonna be  
The furthest thing from my mind  
From Friday at five  
Till Sunday at closin' time

Got some pretty little women waitin' on me  
To shake up this sleepy old town  
That's one job I take seriously  
I wouldn't dream of lettin' them down, ohhh

It might take me all week  
To get back on my feet  
But I know I'll be alright  
From Friday at five  
Till Sunday at closin' time

From Friday at five  
Till Sunday at closin' time  
Yeah eee yeah, I'm outta here
