I've never seen blue eyes
Filled with so much love
I never thought I'd find
What I found in your touch

Someone up there must like me
'Cause I'm lookin' at the proof
There's no doubt about it
Heaven sent me you

Heaven sent me you
To make my life complete
An angel from above
To watch over me

What makes it even better
Is you feel the same way too
There's no doubt about it
Heaven sent me you

Every moment that we share
Will live forever in my mind
The memories that we make
Are sure to outlast time

I know when I hold you close
I'm holdin' love that's true
There's no doubt about it
Heaven sent me you

Heaven sent me you
To make my life complete
An angel from above
To watch over me

What makes it even better
Is you feel the same way too
There's no doubt about it
Heaven sent me you
There's no doubt about it
Heaven sent me you
