Another guy in line on Highway 9 in a rush
Clockin' in and out again, I guess I'm just
An average man, but these calloused hands
Are holding an amazing love

I have seen treasured dreams turn to dust
That fade away like yesterday that I'll never touch
But fortune's been kind 'cause these arms of mine
Are holding an amazing love

So just hold me closer and tell me, you love me
And that everything's alright
For the weight of the world rolls off my shoulders
Whenever I look in your eyes

Just another guy rollin' in the drive in a rush
Standin' at the door is what he's livin' for and needs so
much
Just an average man but these calloused hands
Are holding an amazing love
I'm just an average man but these calloused hands
Are holding an amazing love
