I see the questions in your eyes  
I know what's weighin' on your mind  
But you can be sure I know my part  
'Cause I'll stand beside you through the years  
You'll only cry those happy tears  
And though I'll make mistakes  
I'll never break your heart

I swear  
By the moon and the stars in the sky  
I'll be there  
I swear  
Like a shadow that's by your side  
I'll be there  
For better or worse  
Till death do us part  
I'll love you with every beat of my heart  
I swear

I'll give you everything I can  
I'll build your dreams with these two hands  
We'll hang some memories on the wall

And when there's silver in your hair  
Won't have to ask if I still care  
'Cause as time turns the page  
My love won't age at all

I swear  
By the moon and the stars in the sky  
I'll be there  
I swear  
Like a shadow that's by your side  
I'll be there  
For better or worse  
Till death do us part  
I'll love you with every beat of my heart  
I swear

I swear  
By the moon and the stars in the sky  
I'll be there

I swear  
Like a shadow that's by your side  
I'll be there  
For better or worse  
Till death do us part  
I'll love you with every beat of my heart  
I swear  
I swear
