Catching Babe Ruth catching Roger Marist
The way you caught my eye in Paris, Tennessee
Selling seduction well I'm seduced
You sell a war then we sell a truth
It's the truth

So baby just close your eyes
Nothing catches Jesus by surprise

Confusin' love for heated passion
Got what I want but no satisfaction
Ain't it funny how things can change
We're amazed how they stay the same
Oh, it's the same

So baby just close your eyes
Nothing catches Jesus by surprise

You look so pretty when you smile
I haven't seen that for a while
Talk about trouble, we've had our share
It's a wonder we're still here
I don't know why I make you cry
It's a part of me I don't like at all

Ohhh
So baby just close your eyes
Nothing catches Jesus by surprise

Baby just close your eyes
Nothing catches Jesus by surprise
