I've been blown away
I've been swept off my feet
Lost at love because I wasn't ready
So it's safe to say
I've got just what I need
Fallin' for you was so slow and steady

Love is sinkin' in, bit by bit
Drop by drop, please don't stop
Till my heart is overflowing
Can't help, thinkin' this, is the one
From the way it's goin'
This time it's deeper than it's ever been
Cause love is, sinkin' in

When two people care
And they just take their time
Love can be a whole lot more than magic
When you're in my arms
And you whisper you're mine
I can't believe just how good I have it

Love is sinkin' in, bit by bit
Drop by drop, please don't stop
Till my heart is overflowing
Can't help, thinkin' this, is the one
From the way it's goin'
This time it's deeper than it's ever been
Cause love is, sinkin' in

Love is sinkin' in, bit by bit
Drop by drop, please don't stop
Till my heart is overflowing
Can't help, thinkin' this, is the one
From the way it's goin'
This time it's deeper than it's ever been
Cause love is, sinkin' in
Love is, sinkin' in
