Some people love to travel all over the world,
Some worship money for what it's worth,
Some people love to drink cause it helps them forget,
I love the body of my brunette.

Some people get on their knees for Jesus Christ,
Some use a drug to escape their lives,
Some people keep on chain-smoking cigarettes,
I love the body of my brunette.

She's got ruby lips,
She's got hands that heal,
She's got eyes that understand the way I feel.
And when I feel down,
I know that she's there for me.
Lying in the dark
I can feel her heart
And hear her breathe.
The body of my brunette.

Some guys will buy a Harley cause they love the speed,
Some hire a hooker when they get the need.
Some people get their kicks playing the Russian
Roulette,
I love the body of my brunette.
She's got ruby lips,
She's got hands that heal,
She's got eyes that understand the way I feel.
And when I feel down,
I know that she's there for me.
Lying in the dark
I can feel her heart
And hear her breathe.
The body of my brunette.

She's got ruby lips,
She's got hands that heal,
She's got eyes that understand the way I feel.
And when I feel down,
I know that she's there for me.
Lying in the dark
I can feel her heart

And hear her breathe.
The body of my brunette.

The body of my brunette.

The body of my brunette
