Darlin' I've been waiting such a long time,
I know it can't always be the wrong time.
You say I'm good enough when I'm romancin',
So sad it's just got to be my dancin'.
Workin' my way through the night keep on trying,
I'll stay on my feet until I feel like dying.

Darlin' don't you think I'm gettin' better?
Feels like I've been doin' this for ever.
Too late we can't stop it now we've started,
So glad close together never parted.
Maybe I'm doin' it right for the first time,
Going my way and I like it cause it feels fine.

Dancin' for joy
Movin' in time,
Dancin' for joy
Your hand in mine.
Dancin' for joy
Takin' it slow,
Dancin' for joy
Easy we go.
Darlin' take it all I won't be leavin',
Good things don't just happen when you're dreamin'.
Hold on we don't ever need to hurry,
Lovin' never lose it never worry.
Turnin' from wrong into right what a feelin',
Now I got something I needed to believe in.

Dancin' for joy
Movin' in time,
Dancin' for joy
Your hand in mine.
Dancin' for joy
Takin' it slow,
Dancin' for joy
Easy we go.

Dancin' for joy
Movin' in time,
Dancin' for joy
Your hand in mine.

Dancin' for joy
Takin' it slow,
Dancin' for joy
Easy we go.

Dancin' for joy
Movin' in time,
Dancin' for joy
Your hand in mine
