Hold on, it'll take a while,
You can't always be so juvenile.
Hold on while the love we had
Loses nothing, could be half as bad.

Waiting for the right time
You never showed me one sign.
Give me your life line,
But don't you give me your sympathy.

How long could it take to find?
Could we ever gonna change your mind.
How long can you hide away,
Now we've never had too much to say?

Waiting for the right time
You never showed me one sign.
Give me your life line,
But don't you give me your sympathy

Don't give me your sympathy
Sorry for myself I'll never be.
I said don't give me your sympathy.
I give you my heart, keep the loving inside for me.
Waiting for the right time
You never showed me one sign.
Give me your life line,
But don't you give me your sympathy

I said don't give me your sympathy
Sorry for myself I'll never be.
I said don't give me your sympathy.
Just keep the loving inside for me.

Waiting for the right time
You never showed me one sign.
Give me your life line,
But don't you give me your sympathy

I said don't give me your sympathy
Sorry for myself I'll never be.
I said don't give me your sympathy.

Keep the loving inside for me.

I said don't give me your sympathy

Sorry for myself I'll never be.

I said don't give me your sympathy
