John Miles
"For Ever And Ever"

Darling, I will love you for ever and ever.
I was alone,
Nobody to share my dreams with.
Here on my own,
But then you came along
Bringing me a love, that was oh so true.
You reached into my heart and found it.
Now that I'm close to you,
Oh darling, you're all that matters to me.
Don't you see, oh baby,
Now that I found you, girl,
Nothing's gonna take you away
'Cause, darling, I will love you for ever and ever.

There's once in your life,
If you're lucky enough to find it,
That special love, deep inside your soul,
Opening your eyes to a bright new day,
Leaving loneliness behind you,
No words could ever say, oh darling,
How precious you are to me.
Don't you see, oh baby,
Now that I found you, girl,
Nothing's gonna take you away
'Cause, darling, I will love you for ever and ever.
Oh, baby, now,
Now that you're here with me,
Right here in my arms you will stay.
Darling, I will love you for ever and ever.
Sometimes it can take for ever to find
A love that will change your life.
But this time such a sweet surprise,
Love came in and found me,
Looking into your eyes.

You brought me a love so true, baby.
You reached into my heart and found it.
Now that I'm close to you, oh darling,
You're all that matters to me!
Don't you see, oh, baby!
Now that I found you, girl,
Nothing's gonna take you away

'Cause, darling, I will love you for ever and ever.

Oh, now, now that you're here with me,
Right here in my arms you will stay.
Sweet darling, I will love you for ever and ever.
Oh, now, now that I found you, girl,
Nothing's gonna take you away
'Cause, darling, I will love you for ever and ever.

Oh, now, now that you're here with me,
Right here in my arms you will stay.
Sweet darling, I will love you for ever and ever
