You really think you're something,
Say you've heard it all before,
Each man has his number,
Does it help you keep the score,
Now you count the faces,
When you can't find sleep at night
I can't help you lady,
If you don't know wrong from right

Heart of stone
Heart of stone
Heart of stone
Heart of stone

Just lovin' you's a bad thing,
Why keep me hanging on,
Can't think of any reason,
I'll be happy when you're gone,
There's no place you can run to,
No more friends where you can hide,
You've played around so many times,
Got nobody by your side.

Heart of stone
Heart of stone, that's what you've got
Heart of stone
Heart of stone
It's better now you've set me free,
Waste your life not mine,

You had your opportunity,
But you never had the time,
You gotta heart of stone

Heart of stone, hey
Heart of stone, that's what you've got
Heart of stone, hey, hey
Heart of stone

It's better now you've set me free,
Waste your life not mine,
You had your opportunity,

But you never had the time,
You gotta heart of stone

Heart of stone, hey
Heart of stone, hey, hey
Heart of stone, that's what you've got
Heart of stone, you've got a heart of stone

Heart of stone, I say you've heard it all before
Heart of stone, how do you feel
