

John Miles "Hold On"

Visit "[Hold On](#)" on [MotoLyrics.com](#)

If I seem a little strange I've been spending too much
time on my own,
You're expecting me to change overnight or you will
hang up the phone.
But on that day I needed you found me,
Now your walls are closin' in around me,
Oh I'd really love to stay but I know I'd feel much better
alone.

Won't you hold, on darlin' hold on?
Nights are so long,
Now I know.
Won't you hold on, can't you hold on?
I was so wrong, don't let go.

Now if things are not the same as before it isn't
something I planned.
You will never see the changes around you with your
head in the sand.
But you can't say it's only pretending,
We're all dreaming of the happiest ending,
And I'm losing everything that I need because you
don't understand.
Won't you hold, on darlin' hold on?
Nights are so long,
Now I know.
Won't you hold on, can't you hold on?
I was so wrong, don't let go.

Don't let go, don't let go.

Won't you hold, on darlin' hold on?
Nights are so long,
Now I know.
Won't you hold on, can't you hold on?
I was so wrong, don't let go.
Don't let go.
Hold on, darlin' hold on,
Nights are so long,
Now I know.
Hold on, can't you hold on?
I was so wrong, don't let go.

Won't you hold on, darlin' hold on?
Nights are so long
