By now I should've known better,  
But it's all just a matter of time,  
Remember one day you told me,  
You were never mine.

It was a game of temptation,  
Never knowin' which way it could turn,  
I shouldn't play 'round with fire,  
Now I'm gonna burn.

I didn't know if it was day or night  
You couldn't wake me up with dynamite,  
So I'm not confessin' but it taught me  
A lesson somehow.

(It wasn't love at all)  
Just a crazy dream,  
(I was walking tall)  
Don't you know  
Just what I mean,  
(It wasn't love at all)  
There's no love at all,  
(It wasn't love at all)  
Can't you tell me where I've been.

Just tryin' so hard to change it,  
But the whole thing went out of control,  
I never knew when I met ya,  
You could be so cold.

I know the way I was thinkin'  
Yes we both knew that something was wrong  
You'd spend your time with another,  
Can't forget so long.

And he is always there to take you back  
You'll be happy in your little shack,  
Now I'm getting started  
'Cos I'm not broken-hearted  
For you.

(It wasn't love at all)

Just a crazy dream,  
(I was walking tall)  
Hey, don't you know  
Just what I mean,  
(It wasn't love at all)  
There's no love at all,  
(It wasn't love at all)  
Can you tell me where I've been.  
(It wasn't love at all)  
Just a crazy dream,  
(I was walking tall)  
Hey, don't you know  
Just what I mean,  
(It wasn't love at all)  
There's no love at all,  
(It wasn't love at all)

Can't you tell me where I've been.

I didn't know if it was day or night,  
You couldn't wake me up with dynamite,  
So I'm not confessin' but it taught me  
A lesson somehow.

(It wasn't love at all)  
Just a crazy dream,  
(I was walking tall)  
Don't you know  
Just what I mean,  
(It wasn't love at all)  
There's no love at all,  
(It wasn't love at all)  
Can you, can you tell me

(It wasn't love at all)  
Just a crazy dream,  
(I was walking tall)  
Hey don't you know  
Just what I mean,  
(It wasn't love at all)  
There's no love at all,  
(It wasn't love at all)  
Can you tell, tell me where I've been

(It wasn't love at all)  
Just a crazy dream,  
(I was walking tall)  
Can't you tell me  
Where I've been,  
(It wasn't love at all)  
It wasn't love at all,

(It wasn't love at all)  
Can you tell me where I've been

(It wasn't love at all)  
It wasn't love at all,  
(I was walking tall)  
Can't you tell me  
Where I've been,  
(It wasn't love at all)  
Crazy, crazy. crazy  
(I was walkin' tall)  
Don't you know, don't you know where I've been  
(It wasn't love at all)  
It wasn't love at all,  
(It wasn't love at all)  
Can't you tell me where,  
Can't you tell me where .....
