In recent times there is no one who could approach at all to Antonio Gaudi. He started a new cathedral in Barcelona, which is called La Sagrada Familia, the family. The sad thing is that they could try to finish it, but I don't think they could ever do it.

Who knows where the road may lead us?  
Only a fool would say.  
Who knows if we'll meet along the way?  
Follow the brightest star as far as the brave may dare,  
What will we find when we get there?

La Sagrada Familia  
We pray the star will soon be over  
La Sagrada Familia  
For the lion and the lamb.

Who knows where the wind may blow us?  
Only a fool would say.  
Who knows if we will ever reach the shore?  
Follow a rising sun with eyes that may only stare.  
What kind of a fire will burn us there?  
What kind of a fire?  
Oh, oh, only a fool would say.

La Sagrada Familia  
The wind has changed, the storm is over.  
La Sagrada Familia  
For the lion and the lamb.

La Sagrada Familia  
We thank the Lord the danger's over  
La Sagrada Familia  
There's peace throughout the land.

Under clear blue skies our voices rise in songs of glory,  
And for all those years our eyes and ears were filled  
with tears.  
Oh, filled with tears.  
Oh ...  
Who knows where the world may turn us?  
Only a fool would say.

Who knows what fates may have in store?  
Follow the light of truth as far as your eyes can see,  
How should we know where that may be?  
How should we know?

Then the angry skies, the battle cries, the sounds of  
glory  
And for all those years our eyes and ears were filled  
with tears.  
Filled with tears.

Who knows where the road may lead us?  
Only a fool would say.  
Who knows what's been lost along the way?  
Look for the promised land, and all of the dreams we  
share.  
How will we know when we are there?  
Oh, oh, only a fool would say.

La Sagrada Familia  
The war is won, the battle's over.  
La Sagrada Familia  
For the lion and the lamb.  
La Sagrada Familia  
We thank the Lord the danger's over.  
La Sagrada Familia  
Behold the mighty hand.  
La Sagrada Familia  
The night is gone, the waiting's over.  
La Sagrada Familia  
There's peace throughout the land.

Until the next time.

Until the next time.
