Friend Bear:

Do you have a place where rainbows grow  
to carry a bear who's sliding

Brave Heart Lion:

well I have a rock in a cave below  
just perfect for hiding

Jason:

do you have a house made all out of wood  
for keeping you dry when its raining

Friend Bear:

I stay on top when the rain goes drop  
look I'm hydroplaning

All:

Forest of Feelings, Care-A-Lot, and Earth  
aren't far apart  
they differ in some ways in some ways not

Jason:

cause home is in your heart

Friend Bear:

do you have a star that can travel far  
and tell you what my star told me

Playful Heart Monkey:

no but i have a tree that plays with me  
with branches that swing and enfold me

Kim:

Do you have a flower we call it a rose  
its petals are softer than pillows

Playful Heart Monkey:

Look.. I see a bee on friend bear's nose

Kim:

stop! stay perfectly still

Friend Bear:

Ohh

All:

Forest of Feelings, Care-a-Lot, and Earth  
are the homes we claim  
loving each other  
what we've got  
are places with a different name

Jason:

but they're all the same

All:

Forest of Feelings, Care-a-Lot, and Earth  
are the homes we claim  
Forest of Feelings, Care-a-Lot, and Earth  
are all the same

Jason:

Do you have a bed where you sleep at night  
with pillowy blankets all over

Playful Heart Monkey:

i sleep in a thicket on soft green grass  
covered with cushiony clover

Friend Bear:

my bed is cozy and light as a cloud

Kim:

your bed is a cloud

Friend Bear:

hahaha... Oh yeah!

All:

Colors and flowers and hearts in the crowd  
are just about everywhere

Forest of Feelings, Care-a-Lot, and Earth  
aren't far apart

Jason:

they differ in some ways in some ways not

All:

cause home is in your heart

Forest of Feelings, Care-a-Lot, and Earth  
are the homes we claim

loving each other,  
what we've got are places with a different name

Jason:  
they're all the same

All:  
Forest of Feelings, Care-a-lot, and Earth  
aren't far apart  
They differ in some ways in some ways not

Jason:  
Cause home is in your heart

Brave Heart Lion:  
Home is in your heart

Home is in your heart...
