Yo Yo Yo U da bomb in ya lace wit da hot body
Work it out uh dont stop mommy

And watch all deze small time cats choose u
In tha third eye dey could abuse u
Hear u on da park bench sayin boohoo
All dese player hatas wanna do is do u
Spend a little doe and brew u booze to
It aint cristyle he bringin u bru bru
Showin u love shit dat few do

[Spindarella]

Oh is that so

Den who wuz dat hoe

That u wuz kissin on, trickin on, sippin mo

Hands in her pants on tha dance flo

Slow jam style to an uptempo

Ima put it down plain and simple

Funny style cats get lost to my flow

When I took u from Okies ta Tims

[Rufus Blaq]

[chorus]

[Rufus Blaq]
Keep ya mind on ya money and ya heart on keeping it
Luvs gon be der never try seeking it
If u aint ballin dont try speaking it
u got a good girl u shouldnt be out freaking shit
Im tha cure for tha common cat
Never been a typical and I woke let a nickel go
I love my shorty in all honesty
But I cant stop her if she gon leave me
I make mistakes straight up who dont
I fell for an ass in tha face who wont
I messed up damn now my girl wanna jet
Gimme tha chance to progress
Now tell me
How many cats u know that got doe
and aint gettin sweated fo tha cash flow
Its hard out there dont doubt me
We get down now shorty Stick it out wit me

[chorus]2x

Tha things u do.....
