Your look at me and I can see the feeling's gone,
What happened to the dream we plan our future on?
You turn away and try to say what we both know,
But baby, I can't let you go... Let you go away!
'Cause...

I don't want to lose your love,
I don't want to be the one who's broken hearted,
Don't take the only love I've ever known!
I don't want to lose your love,
How could you go and stop what we have started?
Oh, baby, I don't want to be alone!

I try to hide the hurt inside so plain to see,
I never could keep secrets from you anyway.
So hard to face, I can't erase the thought of you,
Oh baby, won't you change your mind?
Change your mind and stay?
'Cause

I don't want to lose your love,

I don't want to be the one who's broken hearted,
Don't take the only love I've ever known!
I don't want to lose your love,
How could you go and stop what we have started?
Oh, baby, I don't want to be alone!

I don't want to lose your love,
I don't want to be the one who's broken hearted,
Don't take the only love I've ever known!
I don't want to lose your love,
How could you go and stop what we have started?
Oh, baby, I don't want to be alone!

I don't want to lose your love,
I don't want to be the one who's broken hearted,
Don't take the only love I've ever known!
I don't want to lose your love,
How could you go and stop what we have started?
Oh, baby, I don't want to be alone!
