Always trying to get, get something from me.  
Always wanted more than more could ever be.  
Do you think I'm here to give you what you want?  
Do you think I'm gonna let you take everything I've got?

Not so satisfied with the situation.  
Why don't you get in line at a different location.  
I don't wanna be your atm!  
No, I don't wanna be your atm!  
Chasing me around, trying to get what you can.  
Screaming out for me, kinda loudly, and  
No, I don't want to be your atm.  
Just want to be your friend.

Couldn't care less 'till I got something you want.  
And you tell me that I owe ya,  
Convince me I forgot.  
You'll only wanna hang if I get you in for free.  
Oh, but being used isn't who I wanna be.

Not so satisfied with the situation.  
Why don't you get in line at a different location.  
I don't wanna be your atm!  
No, I don't wanna be your atm!  
Chasing me around, trying to get what you can.  
Screaming out for me, kinda loudly, and  
No, I don't want to be your atm.  
Just want to be your friend.

Ooh, ooh, oooh, oooooh...

Why can't you figure out: what's mine isn't yours.  
And I'm tired of you asking for more, more, and more.  
Ask me too who/where you wanna be.  
And I'll tell you you'll do better without using me.

Not so satisfied with the situation.  
Why don't you get in line at a different location.  
I don't wanna be your atm!  
No, I don't wanna be your atm!  
Chasing me around, trying to get what you can.  
Screaming out for me, kinda loudly, and

No, I don't want to be your atm.

I don't wanna be your atm!

No, I don't wanna be your atm!

Chasing me around, trying to get what you can.

Screaming out for me, kinda loudly, and

No, I don't want to be your atm.

Just want to be your friend.
