I remember when I was a girl, our house caught on fire
And I'll never forget the look on my father's face
As he gathered me in his arms
And raced to the burning building out on the pavement

And I stood there shivering
And watched the whole world go up in flames
And when it was all over, I said to myself
Is that all there is to a fire? Is that all there is?

Is that all there is?
If that's all there is, my friends, then let's keep dancing
Let's break out the booze and have a ball
If that's all there is

And when I was twelve years old
My daddy took me to the circus, the greatest show on
earth
And there were clowns and elephants, dancing bears
And a beautiful lady in pink tights flew high above our
heads

And as I sat there watching
I had the feeling that something was missing
I don't know what
But when it was all over, I said to myself
Is that all there is to the circus?

Is that all there is?
If that's all there is, my friends, then let's keep dancing
Let's break out the booze and have a ball
If that's all there is

And then I fell in love
With the most wonderful boy in the world
We'd take long walks down by the river
Or just sit for hours gazing into each other's eyes
We were so very much in love

And then one day, he went away
And I thought I'd die but I didn't
And when I didn't, I said to myself

Is that all there is to love?

Is that all there is?

If that's all there is, my friends, then let's keep

I know what you must be saying to yourselves

If that's the way she feels about it

Then why doesn't she just end it all

Oh no, not me, I'm not ready for the final

disappointment

'Cause I know just as well as I'm standing here talking
to you

That when that final moment comes

And I'm breathing my last breath

I know what I'll be saying to myself

Is that all there is?

Is that all there is?

If that's all there is, my friends, then let's keep dancing

Let's break out the booze and have a ball

If that's all there is
