P.j harvey :

I was lost in love  
I was lost inside  
Till he said to me  
Youve got a lovely smile

And Im saved  
Saved  
And Im saved  
And Im saved

Heal me with his hands  
Heal me with his heart  
When he said to me  
No no we never part

P.j harvey : heal me with his hands / j. parish : well she  
feels though she had my paradise  
P.j harvey : heal with his heart / j. parish : she was a  
hula girl, she got her hair done nice

P.j harvey : when he said to me / j. parish : she said I'll  
give it all I got to my heela man  
P.j harvey : no no we never part / j. parish : he put his  
hands on me, showed me what I am

P.j harvey / j. parish : and Im saved

When I got that heela by my side  
And I push him daylight, push him night

Repeat till the end
